SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In connection with the above-entitled matter, Applicants wish to bring to the attention of the Patent Office additional prior art received in connection with a Search Report and Official Action issued in Applicants' corresponding European and Korean applications. Attached is U.S. Patent Office Form PTO-1449, including copies of one the prior art references listed therein, and a copy of the Official Action, including an English translation of the relevant portions thereof, and Search Report. Where available, English language counterparts and/or abstracts also are provided for Examiner's convenience. Applicants are not submitting copies of the U.S. Patent references/U.S. Patent Publication as the Office waived the requirement. The claims in the present application are believed to be patentably distinguished over these references.

This Information Disclosure Statement is being made pursuant to the duty of disclosure imposed by law and formulated in 37 CFR 1.56(A). No representation is made that the

information thus disclosed in fact constitute prior art or that it is the closest prior art, inasmuch as 37 CFR 1.56(A) relies on a materiality concept which depends on subjectivity.

In compliance with the requirements of 37 CFR § 1.98(a)(3), as a concise statement of relevance, as it is presently understood by the individual designated in 35 U.S.C. § 1.56(c) most knowledgeable about the content of the information, the undersigned attorney of record submits a translation of portions of an Official Action and a copy of the Search Report by a foreign or Examiner in which the references were cited. The relevance to the pending U.S. patent application is that the references were cited in foreign patent applications on the same subject matter. However, no independent analysis of the reference, the accuracy of the statement of foreign Examiners or the claims of the foreign applications under the laws of the country or the United States relative to the subject matter claimed in the present application has been made; the present understanding of the contents thereof by the undersigned being based on the the translation of and/or the foreign Examiner's comments submitted therewith.

The enclosed Supplemental Information Disclosure Statement is being submitted prior to issuance of the first action on the merits. Therefore, we believe there are no fees involved with this Supplemental Information Disclosure Statement. However, in the event there are any fees payable, please charge them to our Deposit Account No. 08-1391.

Respectfully submitted,
